

# Daintree Tour Extension

This day can be added at the beginning or the end of the tour and this will affect order of events.

**Indicative cost:** \$1000 per couple

Spend the day bird watching and exploring nature north of the Daintree River in an ancient rainforest. The [Daintree Discovery Centre](#) could hold your attention all day! An afternoon cruise on the Daintree River allows for more animal watching and is a wonderful way to draw the day to a close at sunset. In the morning take another river cruise before breakfast.

**Target Birds:** Cassowary, Great-billed Heron, Little Kingfisher, Azure Kingfisher, Black Bittern, Shining Flycatcher and Lovely Fairywren

**Reptiles:** Amethystine Python, Estuarine Crocodile

**Mammals:** Musky Rat-Kangaroo
